INTERVIEW SUMMARY

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Commissioner:

Applicants herein submit an Interview Summary pertaining to the telephonic interview between Examiner Anne Marie S. Wehbe and Applicants' representative, Monica De La Paz on April 30, 2009.

On April 30, 2009, Applicants' representative, Monica De La Paz, held a teleconference with Examiner Wehbe to discuss the Amendment Applicants filed on February 10, 2009. The Examiner indicated that claims 19 and 30 still had minor antecedent basis issues. The applicants' representative authorized an examiner's amendment to correct the antecedent basis problems in claim 19 and 30 in order to place the application in condition for allowance. In claim 19, the phrase "recombinant adenovirus" was replaced by "adenovirus vector." In claim

30, the word "recombinant" has been deleted. Applicants concur with the Interview Summary of the Examiner mailed with the Notice of Allowability on May 6, 2009.

The Examiner is invited to contact the undersigned attorney at (512) 536-5639 with any questions, comments or suggestions relating to the referenced patent application.

Respectfully submitted,

Monica A. De La Paz
